

## COURSE : GOOGLE ADS SEARCH TRAINING

Irene, Pretoria | 09:00 - 15:00 | R2800

---

### WHAT IS THE COURSE ABOUT?

Our course follows Google's Academy for Ads' course structure - where we start with Google Ads Fundamentals, before moving on to Google Search Advertising. We've also dedicated a part of the course towards practical application, where we'll show you how to set up your first Google Ads campaign.

### THE KEY COURSE OUTCOMES

- Learn the basics of Google Ads
- Choose where customers see your ads
- Create effective text ads
- Avoid editorial errors
- Choose the best campaign types
- Organise your account for success
- Learn how to reach the right customers
- Control which searches trigger your ads
- Select the right bidding strategy
- Adjust bids
- Align your budget with your goals
- Track conversions to improve performance
- Evaluate campaign performance
- Optimise your Search Campaign
- Set up a Google Search Campaign

### WHO SHOULD ATTEND?

This course is considered the beginner course for Google Ads. It is ideally suited for those who've been dabbling with Google Ads, or those who've never even set up a campaign before. This course will give both dabblers and complete novices the tools needed to create effective search campaigns on Google.

Upon completion, you will have all the information and materials needed to pass the Google Fundamentals and Google Search Ads exams. By passing these two exams, you will be a certified Google Ads campaign manager.
